Produce simplified versions of women's rights related laws in local language and distribute to 90 women's groups and communities

Introduction & Back ground of Organization:

NIDA-Pakistan is non-Profitable, non-Governmental, non-Political and non-Religion organization is committed to help the underprivileged population anywhere in Pakistan, including FATA, and Azad Kashmir. This organization operates independently of any political and cultural influences. As a non-governmental organization NIDA-Pakistan, intervenes both in situations of disaster and non-disaster for sustainable development of the marginalized population restoring their autonomy in the society. NIDA-Pakistan organization also works for persons with disabilities, non-formal education, against the issue of domestic violence, child sexual abuse/corporal punishment/child labor and child trafficking. The aim of NIDA-Pakistan is to serve the humanity, development of human resources, capacity building, mental health facilities, and economic sustainability without gender discrimination.

Objectives of the activity:

Preparation of women related laws in local language will be carried out;

- To aware communities regarding women rights & empowerment issues
- To support women for better understanding about their issues and their solution in term of already defined laws
- To bring positive change among communities against women rights & empowerment issues

Expected Output/Results

- Communities will be aware about laws of women rights
- Positive approach of communities will be established about women rights

Scope of Assignment:

During 2018, NIDA- Pakistan intends to engage individual consultant/firm for preparation of simplified version of laws of women rights in local language for the communities of 45 women groups under POWER project in district Shangla Khyber Pakhtunkhwa (KPK). Target beneficiaries of this information sharing tool are men and women who are actual stakeholder of

project and will have better understanding & conceptual clarity about Unpaid Care Work, Violence against Women & Women Economic Empowerment. The scope of work also includes the development of women related laws in local (Urdu) language for better understanding among communities especially women.
