

## **Request- Expression of Interest**

**Develop a manual on Good Agricultural Practices on Climate Resilient Sustainable Agriculture (CRSA) interventions for women smallholder farmers such as use of green manure, cover crops, composting, use of multipurpose trees and animal husbandry**

### **Introduction & Back ground of Organization:**

NIDA-Pakistan is non-Profitable, non-Governmental, non-Political and non-Religion organization is committed to help the underprivileged population anywhere in Pakistan, including FATA, and Azad Kashmir. This organization operates independently of any political and cultural influences. As a non-governmental organization NIDA-Pakistan, intervenes both in situations of disaster and non-disaster for sustainable development of the marginalized population restoring their autonomy in the society. NIDA-Pakistan organization also works for persons with disabilities, non-formal education, against the issue of domestic violence, child sexual abuse/corporal punishment/child labor and child trafficking. The aim of NIDA-Pakistan is to serve the humanity, development of human resources, capacity building, mental health facilities, and economic sustainability without gender discrimination.

### **Objectives of the activity:**

A manual on Good Agricultural Practices on Climate Resilient Sustainable Agriculture (CRSA) interventions will be designed;

- To aware communities regarding use of local material as organic fertilizers for maximum agriculture production
- To increase the knowledge of local communities about Climate Resilient Sustainable Agriculture (CRSA) interventions such as use of green manure, cover crops, composting, use of multipurpose trees and animal husbandry

### **Expected Output/Results**

- Communities will be aware about organic fertilizers and their use for maximum production from available natural resources
- Positive approach of communities will be established towards protection of environment friendly interventions at local level
- Practices of CRSA interventions will be adopted by communities on sustainable basis.

### **Scope of Assignment:**

During 2018, NIDA- Pakistan intends to engage individual consultant/firm for development of manual on Good Agricultural Practices on Climate Resilient Sustainable Agriculture (CRSA) interventions for women smallholder farmers such as use of green manure, cover crops, composting, use of multipurpose trees and animal husbandry in district Shangla Khyber Pakhtunkhwa (KPK). Target beneficiaries of this information sharing tool are men and women who are actual stakeholder of project and will have better understanding & conceptual clarity about CRSA. The scope of work also includes the development of manual in local (Urdu) language for better understanding among communities especially women.

### **Technical & Financial Proposal**

- The individual consultant/firm shall include honoraria against their service.
- A comprehensive proposal on the process and delivery of service will be submitted by vendor.

### **Qualification for Consultant/Firm**

Consultants/firm should meet the following requirements and qualification:

- Having working experience in INGOs/NGOs under projects related to good agriculture practices & climate resilient sustainable agriculture interventions.
- Having experience in preparation of modules, training material, simplified versions manuals.
- Having qualification relevant to field preferably master degree holder in agriculture, animal husbandry.
- Functional Bank Account on the name of business/firm/individual. NTN is mandatory for firms.
